Dear Mr. Abel,

*David*

Many thanks to you and your team at WMTW for your outstanding coverage of the recent winter weather events. As you know, these events have produced record snowfall for our state and your effort to keep Mainers informed is an appreciated public service.

You and every member of the WMTW team deserve accolades for your contribution to public safety during times of severe weather. Your commitment to providing our communities with local information, news and weather merits recognition. Please know that I am deeply appreciative of your efforts.

It is an honor to represent Maine in Congress. Please know that you can contact me anytime that I may be of assistance.

Best wishes,

*B*
