

Client: NAB
 Project: Prevent Cancer PSA
 Date: 3/25/2025
 Member of Congress Script
 Duration: 00:30

Timecode	Audio/Narration
[00:00:00-00:01:00]	Music
[00:01:00-00:04:00]	I didn't think someone at 23 could be diagnosed with breast cancer.
[00:04:00-00:07:00]	I remember thinking my son was going to grow up without a father.
[00:07:00-00:09:00]	It was probably the healthiest I had been in my life.
[00:09:00-00:11:00]	Early detection of a melanoma saved my life.
[00:11:00-00:13:00]	I survived testicular cancer because of early detection.
[00:13:00-00:15:00]	I survived cancer not once but twice because of early detection.
[00:15:00-00:27:00]	Hi, I'm (Congressman/Congresswoman /Representative/Senator) _____ . Early detection leads to better outcomes and saves lives. Learn what routine cancer screenings you need and book your doctor's appointment today.
[00:27:00-00:30:00]	This message brought to you by the National Association of Broadcasters and this station.
